SERVANT GIRL PROBLEM SOLVED

Raising Cook to Jail for Ten Days.

Magistrate Smith, of Long Island City, solved the servant-giri question tohis own cook, Lizzie Quellette, to the To Avoid Suit Mrs. Carswell Queens County Jail for ten days. Magistrates, which many suburbanites will agree, is easier than getting a Lizzie was an exemplary girl up wiar features and flery Mrs. Leslie Carter-Payne hair. She ruled the kitch-Broadway en of the Magistrate's brown-stone res relinghuysen Vail, club- aristocratic section of Astoria, and no body questioned her rule. Not until the great change.

Magistrate Smith took Mrs. Smith and their two-year-old daughter to Far Rockaway on Sunday to attend the ing for an actual sum slightly in ex- friend. They stayed away all night, and in the night, alone, Lizzie fell from

Lizzie Turns Orator.

On returning to Long Island City die first, because of the ruination of Monday morning the Magistrate went directly She says the money was paid to her hurried to her Astoria home. Before regularly, by Vail up to the time of his she arrived she realized something was 43 East Seventy-eighth street. In were gathered in front of the house of or particulars which her lawyer. Estering to a fog-horn orator on the

the burning issues of the bour. ting up her continued ill-health as the spoke in a voice which could be heard for a mile on a clear day. The Chinese in Panama hats and the styles of whis relations with the clubman extending kers affected by the candidates were over a period of thirty years and that her topics. It was a rip-snorting cam-

Mrs. Smith went sadly to the Astoria Police Station hard by and secured the services of Policeman Bauman to stop it will refuse to run its cars through the oratory. Lizzie was hurt, but the sight of brass buttons quelled her. She

Funked the Issue.

When Magistrate Smith heard about it his heart failed him. The case would come up in his court. How could he who had never dared to speak to Lizzle of the incinerated condition of the steak or the limphess of the coffee, dare pass judgment on her?

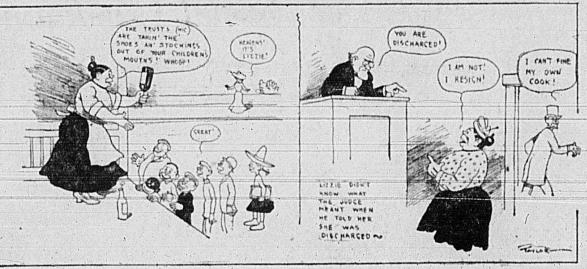

When Lizzle was brought before him Fuesday the Magistrate diplomatically adjourned the case a day, and or Wednesday he was far away in Far Rockaway, having exchanged with Magistrate Healy for the day.

Magistrate Healy, recognizing the divine rights of cooks, suspended sentence after delivering a lecture calculated to keep Lizzie on the sprinkling-

asked Supreme Court Justice Leventritt as she supposed, obsessed her mind. to order Mrs Carswell to furnish a Instead of going back to the Smiths,

householder fears to "discharge the book," he handed Lizzle ten days. The Flathush Householders' Association will arise and give three cheers. Carnegie Medal Fund please copy.

CHIZENS BRIDGE LOOP

Property Owners Protest Against Interborough and B. R. T. Grab.

companies to buldoze the commission into permitting the Dolancey screet parkway to be turned over to the ele-

The Commission itself has declared in favor of a subway loop connecting the Stevenson took sides with the B. R. T. and his chief engineer has reported that the subway is impracticable, and, whether it is or not, the B. R. T. says can only operate the loop with th help of the B. R. T., and so shifted his position and favored the elevated

The Commission, with this division opinion, decided to adopt the plan This to the railroad interests indicated a surrender.

of the apparent weakness, and the Interborough came in with the threat that the city should not be allowed to run its bridge unless a free franchise is granted to that company to build a third track on its elevated lines to the Bronx These bulldozing tactics have delayed any action for three months. Finally the Rapid Transit Commission

decided to settle the question and the Chief Engineer was instructed to make a final report, and this afternoon was set for a final public hearing. Chief Engineer Rice at the meeting reported that the city can build the subway loop in a shorter time than other engineers, have said the elevated loom. engineers have said the elevated loop through the subway loop and over the Brooklyn Bridge, so the B. R. T.'s willingness to operate the subway need not enter into the matter. This nuts the diestion fairly up to the Commission. This afternoon a petition was read signed by fifty-eight physicians of the East Side protesting against the building of an elevated loop through Delancey street, the only breathing space in one of the most thickly populated districts of the East Side. Before the Purkway was opened the neighborhood was a hotbed of disease. Since it was opened there has been a marked decrease in disease and consumption has almost entirely diseappeared.

Oppose Any "L" Loop.
